## Commencement

All students who complete the entire School of the Bible program are invited to participate in the commencement exercises of Crown College of the Bible, held annually the first Monday evening in the month of May. The commencement ceremony is a momentous occasion for all who attend, and School of the Bible graduates are grateful to receive their *Biblical Studies Certificate* at the hand of our President and Founder, Dr. Clarence Sexton.

Every School of the Bible graduate has his/her name individually recognized, and walks in cap and gown to receive the *Biblical Studies Certificate*. Each certificate is inscribed with the insignia of Crown College of the Bible and the name of the School of the Bible from which each student is graduating.

It is the responsibility of each host church to keep accurate records of participating students in the School of the Bible program conducted by their church. By February 15 of each year, churches who host a School of the Bible will verify to Crown College a listing of students who have met the graduation requirements and are eligible to participate in the commencement exercises of the college. A \$25 commencement fee will be charged per participant to account for the cost of the cap, gown, and a beautifully-plaqued *Biblical Studies Certificate*.

While attending the commencement exercises, School of the Bible graduates and their families or friends are invited to tour the Lee Roberson Christian Heritage Center on the campus of Crown College. This includes hundreds of displays highlighting the lives of pastors, missionaries, evangelists, songwriters, educators, authors, singers, and many others who have had a dynamic impact in the cause of Christ worldwide. To tour the Christian Heritage Center is an education in itself, and to learn about the lives of men and women who were mightily used of God is truly inspiring. Guided tours will take place by appointment on Tuesday morning, the day after commencement.
